Thank you to everyone who took part in our **Macmillan Coffee Morning** today. We are hopeful of raising a significant amount of money for such a worthy cause, and will announce the total next week once all the donations have been collected and counted.

It is always good to talk to possible new starters at our school and our **Early Years Open Day** on Thursday provided such a chance. If you missed the opportunity, or know of anyone who would like to come in and find out a little more about the school and our Early Years provision, please don't hesitate to contact the school office where we will be able to arrange an appointment to come in and see the school and our OUTSTANDING (OFSTED 2017 Judgement) Early Years provision.

Congratulations to all our children who were voted for by their peers to represent them on our school committees. It has been wonderful seeing them all in their Golden Ties this week and I have no doubt they are going to come up with some amazing ideas to make our school even better. The School Council have already made their first decision—next Friday they have asked the school to support **National Colostomy Awareness day**, something that affects so many people, even children in our school. Please see the letter that is coming out from our School Council for more information on this.

Next Friday sees our very first **V.I.P. (Very Important Pupil) Celebration Assembly (8:50am, School Hall), followed by our Family tea and coffee hour** where there is an opportunity to have an informal chat about school. I hope to see you there. The V.I.P. assembly will replace our Stars of the Week Assembly and we look forward to saying well done to the first set of children who receive this new award!

Many thanks for your continued support,
Mr Maley
