Dear Parents/Carers

We have looked to raise awareness and support a couple of charities recently and I'd like to say an enormous thank you for the caring attitude you have all shown towards this.

Colostomy Awareness Day

One of the first decisions from our newly elected School Council was to support National Colostomy Awareness Day, after our very own Charlotte suggested supporting the charity. Thank you to everyone for supporting such a good cause on Friday, with the children coming to school wearing something purple.

The children feel strongly that it is something that everyone should be aware of as it affects so many people, even children in our school.

A fantastic £222 was raised for Colostomy UK – thank you once again, and well done Charlotte for helping raise both the money, but more importantly people's awareness.

Macmillan Cancer Support

Another good cause that everyone has supported was the Macmillan Coffee Morning. This is a morning that we support every year, and once again the generosity and fantastic support for this special charity was great to see.

I'm proud to say that an amazing £765 was raised. This means we have raised over £2000 during the last three years, every penny of which really makes a difference – thank you for all your donations and support.

Many thanks for your continued support,
Mr Maley
