**\*\*Well done to Classes 4AWB & 7LB \*\***

### Alfie

Thank you to everyone who has passed on their thoughts and prayers for Alfie. We have been asked about assemblies and memorials to help celebrate his life and of course will be looking at many ways to make sure that Alfie is never forgotten and remembered for everything that he brought to us all. All this will be done in line with the wishes of Alfie's family and we will let you know of any future plans. Alfie will always remain in our thoughts.

### Children in Need and BBC Merseyside

We are excited to be hosting the BBC Children in Need event on Tuesday morning with a visit from BBC Merseyside's Breakfast team planned that will be live on the radio! In order to support the charity, we are asking for any loose change or donations to be sent in on Monday and Tuesday so we can create a 'money trail' around school. This will then be put into the Children in Need buckets on Tuesday morning.

### Remembrance Service

We are incredibly proud of our Year 5 and 6 children who represented the school at Lowe House Church Remembrance Service today. They led readings, sang and danced to help create a fitting tribute to the men and women who have made the ultimate sacrifice over the years. Thank you to all of Year 5 and 6 for showing exactly what Carr Mill Primary is all about!

### Friendship Week

Next week we are celebrating Friendship week (National anti-bullying week). As part of the celebration, we would like to invite families in to our assemblies on Friday, followed by the opportunity for you all to spend time in your child's classroom to celebrate the work they have completed as part of the week. Further information will follow and we hope to see you there!

### Parent's Evening

This is taking place on the evenings of Monday 20th & Tuesday 21st November. As it was such a success last year we are going to book the appointments through teachers 2 parents Online. A letter was sent out yesterday with the children with further details. As always any problems please contact the school office.

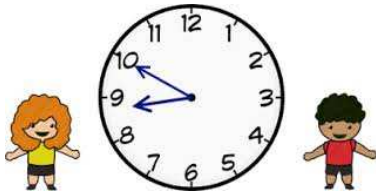

**Thanking you for your continued support,**

**Mr Maley**

## Car parking

Regrettably, we have had several complaints over the past few weeks with regards to parents car parking outside of the school grounds and rudeness to members of the community over parking issues. It is important that when parents visit our school either to drop off or pick up their children that they do so with due care and attention and do not put others at risk. They should also give consideration to our local community and park safely and in appropriate areas. We appreciate that this is a very busy time and unfortunately it is outside of school control. We ask parents to help to support school in keeping positive relations with our local community and be considerate to other parents when parking. A result of this may be if parents could park a small distance away from school and walk into the school grounds to drop off or collect their children. I am sure we can all work together to ensure everyone is happy and safe.

## School Starts at 8:50

The start of the day is really important for your child, to settle them for the day ahead. Please ensure your child arrives at school before the gates close at 8:50. Thank you for your continued support with this.

## Earrings

Can we please remind parents that earrings are **NOT ALLOWED** to be worn to school for safety reasons, unless they have been recently pierced and are covered.

If earrings have not been covered by parents /carers, you will be asked to come into school to cover them with plasters or your child may not be able to take part in some activities.

We strongly suggest that ears are not pierced during term time. Earrings worn due to been newly pierced must be removed after 6 weeks.

## Messy Church

St. David's Church, Carr Mill

Saturday 11th November 2017

4.00pm - 6.00pm

Theme: Our Community

For all families with children.

Come and bring your children, grandchildren and have a **Messy time together!**
